

Supporting you from student to dentist

The Australian Dental Association Victorian Branch (ADAVB) is your professional association, for dentists, by dentists. The ADAVB is your platform to launch your dental career.

Free ADAVB membership is available for all dentistry students and includes free student liabilities insurance with Guild Insurance. Join us today to gain valuable and tailored support during your study and after you graduate.

ADAVB membership provides you with a wide range of career development support and services to help you reach your professional potential.

We'll support you with seminars, workshops, networking and social events while you're a student, and we'll prepare you for practice and beyond with essential guidelines, professional support services and career opportunities.
