# BIOGRAPHIES

**Associate Professor Michael Stubbs**  
**(Oral Medicine Specialist)**

A/Prof Michael Stubbs is an oral medicine specialist, which is an area of dentistry associated with the diagnosis and treatment of oral disease and oro-facial pain. This includes oral mucosal diseases, temporomandibular disorders, as well as dental sleep medicine.

A/Prof Stubbs is also the academic lead at La Trobe School of Dentistry in the field of Oral pathology and oral medicine.

**Nathan Wilson**  
**(Physiotherapist)**

Nathan Wilson is a principal physiotherapist at Pace Physiotherapy in Geelong, with a special interest in the treatment of jaw pain and TMD. With a passion for helping individuals restore their quality of life, Nathan works closely with patients to provide personalised care plans aimed at relieving discomfort and improving function.

Drawing from his extensive training and experience, Nathan integrates evidence-based physiotherapy techniques with a holistic approach to treat jaw-related pain, as well as a wide range of musculoskeletal conditions.

**Dr Giulia D'Anna**  
**(Dentist)**

Dr. Giulia D'Anna graduated from the University of Melbourne in 1996. After commencing her own dental practice in 1998, her interest in cosmetic facial procedures led to further training and study within the field of non-surgical cosmetic medicine and skin science.

Giulia loves achieving enhancement results that appear natural and well proportioned. Her approach is to achieve a result that uses conservative treatments, to achieve her refined and defined look.
