Advertising guidelines

Content

- Advertisements must be clearly recognisable and not resemble editorial content.
- The content of advertising must recognise the professional nature of the readership and therefore reflect professional standards of good taste and dignity; in these matters ADAVB shall be the arbiter. The notion of implied endorsement of advertisements is used as one of the tests in determining suitability.
- An advertisement must be accurate in fact and implication, and must not include misleading statements, half-truths or unverifiable claims and/or arouse unwarranted expectations of product effectiveness.
- Any advertising of the practice of dentistry must identify the dental practitioner(s) and their qualifications.
- Advertisements, including positions vacant, must comply with Victorian and federal anti-discrimination laws.
- Comparisons with other products of a similar type may only be of a factual nature, and the evidence presented must be clear, fair and capable of collaboration.
- Advertisements must comply with the Dental Board of Australia's advertising guidelines.
- Professional display advertisements or notices from non-member dentists regarding their services and practice/s are not accepted for publication.
- Commercial advertising material from organisations competing with the ADAVB and/or its approved suppliers/providers will not be accepted unless Editorial Board approval has been provided.
- Where approved suppliers/providers have agreements with ADAVB, they may be offered member rates.
- Advertising of training courses or any CPD event is restricted to courses conducted by the ADA (including branches, groups and affiliated societies), or by Australian dental schools and public/regulatory agencies.
- Cancellations cannot be accepted after copy deadline. Where block bookings are cancelled, advertisers will be required to pay the difference between the full rate and special recurring rate.
- Acceptance of any advertising for publishing does not indicate endorsement or approval by ADAVB.
- ADAVB may request substantiation of any claims made in the advertisement.
- All advertisement placements are subject to availability, and prices are regularly reviewed and subject to change.

Conditions

- The advertiser, in lodging any advertisement, shall be deemed to have given assurances to the ADAVB of compliance with any requirements of law affecting the product or the advertising of the product.
- The advertiser shall undertake to indemnify ADAVB against all actions, costs, damages, expenses and other liability whatsoever that ADAVB may suffer or incur by reason of the publication of the advertisement. This indemnity shall not be affected by the fact of ADAVB evaluating the advertisement or the content thereof as suitable for publication.
- In advance of the copy deadline, the advertiser shall supply artwork and copy, in a form sufficiently developed to allow an accurate assessment of the proposed content, meaning and purpose of the advertisement.
- ADAVB reserves the right as it deems appropriate and without prior notice to the supplier to refuse advertisements without reason, to modify or withdraw any material submitted for inclusion in the magazine, or to interrupt any series or sequence of advertisements.
- Where an advertiser may be aggrieved by a decision to refuse, modify or interrupt an advertisement or series of advertisements, an appeal may be made to the next meeting of the ADAVB Council and this body shall be the ultimate arbiter of the matter.
- Placement of advertisements within the *Victorian Dentist* is at editorial discretion.
- No advertisement promoting any product/service deemed to be a conflict of interest for ADAVB will be accepted.
