Notice of ADAVB Inner Melbourne Group Meeting

Wednesday 22nd March 2023

CONNECTIVE TISSUE GRAFTING:
AROUND IMPLANTS AND TEETH

Clin. A/Prof Mehdi Valizadeh – Periodontist

Mehdi is the founder and clinical director of Vision Periodontics (2022) - a specialist centre for advanced periodontics and implant dentistry located at South Perth, WA. Mehdi is an overseas trained, board-certified, and Australian-registered specialist periodontist. Over the years, Mehdi has developed special interests in advanced implant surgeries, bone grafting procedures, periodontal and periimplant mucogingival surgeries, as well as periodontal regenerative procedures. Mehdi has presented his clinical/research work both nationally and internationally. He has also been involved in publishing four books in the field of dentistry as co-author (in Farsi) before his permanent move to Australia. His academic background has always led him to take up teaching roles in academic institutions alongside his clinical work. Formerly an assistant professor overseas, he has been a clinical supervisor exclusively for the Doctor of Clinical Dentistry course in Periodontics at the University of Western Australia (UWA) since 2017. Currently, he is a clinical associate professor at UWA. He is also actively involved in research projects in the field of clinical implant dentistry. Mehdi is an active member/fellow of multiple societies and is the current president of the Australian Society of Periodontology – WA branch.
